**PRODUCT DATA SHEET**

**hERG2, pAb**

**Product code/Sizes:**

DT-554P-100 100 µl

**Product Specifications:**

- **Description:** Polyclonal Antibody to hERG2 [Ether-a-go-go related protein 2]
- **Source/Host:** From rabbit
- **Immunogen:** GST fusion protein corresponding to aa 907-986 of hERG2 protein
- **Specificity:** Recognizes human and mouse hERG2
- **Application:** Immunohistochemistry on paraffin and frozen sections (1:100 - 1:400) Immunocytochemistry (1:50 - 1:200)
- **Formulation:** Liquid. Affinity total IgG purified on protein A-sepharose beads and resuspended in 100mM Tris, 100 mM glycine
- **Cross-reactivity:** Human and mouse
- **Shipping:** Dry ice
- **Short term storage:** -20°C
- **Long term storage:** -80°C
- **Handling:** Avoid freeze/thaw cycles
